

MEDFACES DATABASE

RELEASE AGREEMENT VERSION 1

The **MedFaces** face recognition database is available to researchers worldwide for scientific purposes only. All requests will be evaluated before granting permission to download the database. In order to receive permission to download the database, the researchers must abide by this release agreement.

The researcher(s) agrees to the following restrictions on the database:

1. The database will not be further distributed, published, copied, or further disseminated in any way or form whatsoever, whether for profit or not. This includes further distributing, copying or disseminating to a facility or organization unit in the requesting university, organization, or company.
2. The images will only appear in technical reports, technical papers, and technical documents reporting on face recognition research. There will be no more than 15 images used at a time in a publication.
3. All documents and papers that report on research that uses the **MedFaces** database will acknowledge the use of the the database as follows: "Portions of the research in this paper use the **MedFaces** face recognition database".
